
DRAFT WESLEY CLARK

FOR PRESIDENT

www.DraftWesleyClark.com

We are a grassroots, volunteer group trying to convince Wesley Clark to run for president. The Democratic Party needs a nominee with unquestionable leadership and foreign policy credentials. One who can *win* in 2004. And we believe Wesley Clark should be that nominee.

We are not affiliated with Wesley Clark, we are just impressed by his solid record: Former 4-star general and supreme commander of NATO. A Rhodes Scholar. First in his class at West Point. Oxford graduate. A voice of common sense and moderation on both foreign *and* domestic policy. Visit DraftWesleyClark.com, send General Clark a letter, and ask him to run!
